

Healthy Living: August 2017

CATHERINE'S HEALTH CENTER

Why Healthy Living? When it comes to managing your health, the most important person involved in the process is you. When you make healthy choices in your day-to-day activities, you reduce your risk of chronic disease, better manage already existing chronic disease, improve life for your family, and just plain feel better! Browse our current Healthy Living opportunities and ask your doctor if one of them might be right for you.
