For a copy of our 2015 audited financial statements please contact Amy Vander Linden, Development Director. Our 2016 audited financial statement will be available in early to mid-summer 2017 as we take advantage of the lower audit rates after the tax season. See also Guidestar and BBB for our information.

Impact Highlights

- More than 7,000 patient visits and contacts were completed again this year
- AstraZeneca Health Care Foundation through its Connections for Cardiovascular HealthSM helped patients improve their lab results and lifestyles through a major grant to improve heart health
- Catherine’s contributed to medical education by partnering with MSU’s College of Human Medicine, Calvin College Nursing Program, Grand Valley State University’s Kirkhof School of Nursing and other programs
- We assisted patients in obtaining approximately \$500,000 worth of needed medications through our Medication Assistance Program (MAP)
- Multiple partnerships helped us teach people to improve their health through exercising, gardening and preparing healthy foods, learning about health management, and more
- We helped hundreds of people find health insurance products that best fit their situations through our Navigation services
- All these and more were accomplished thanks to generous support from donors and grantors
